5-504. Advertising and bidding.

5-501. Application. This chapter shall apply to all purchases by authorized officials in the City of Loudon using or encumbering municipal funds, except those exempted by state law in Tennessee Code Annotated, § 6-56-302. (as added by Ord. #2015-12, Nov. 2015)

5-502. Purchasing. (1) The city manager shall be responsible for all city purchasing but may delegate such duty to any subordinate appointed by the manager.

(2) Competitive prices for all purchases and public improvements shall be obtained whenever practicable and in accordance with this chapter, and the purchase made from or the contract awarded to the lowest responsible bidder, provided that the city shall have the power to reject any and all bids.

(3) Formal sealed bids shall be obtained in all transactions involving the expenditure of ten thousand dollars (\$10,000.00) or more, which shall automatically be increased if and when Tennessee Code Annotated, § 6-56-306 is amended to provide for a greater sum. The transaction shall be evidenced by written contract submitted to and approved by the council; provided that in cases where the council indicates by formal unanimous resolution of those present at the meeting, based upon the written recommendation of the manager that it is clearly to the advantage of the city not to contract with competitive bidding, it may authorize noncompetitive contracts.

(4) The council may also authorize the making of public improvements or the performing of any other city work by any city department or agency without competitive bidding. (as added by Ord. #2015-12, Nov. 2015)

5-503. Limits on purchases. All purchases made from funds subject to the authority of this chapter shall be made within the limits of the approved budget, when required, and the appropriations, when required, for the department, office or agency for which the purchase is made. (as added by Ord. #2015-12, Nov. 2015)

5-504. Advertising and bidding. (1) Exceptions. Except as hereinafter provided, all purchases and leases or lease-purchase agreements shall be made

or entered into only after public advertisement and competitive bid. Except as follows:

(a) Purchases costing less than ten thousand dollars (\$10,000.00); provided, that this exemption shall not apply to purchases of like items which individually cost less than ten thousand dollars (\$10,000.00), but which are customarily purchased in lots of two (2) or more, if the total purchase price of such items would exceed ten thousand dollars (\$10,000.00) during any fiscal year, which shall automatically be increased if and when Tennessee Code Annotated, § 6-56-306 is amended to provide for a greater sum.

(b) Any goods or services which may not be procured by common means because of the existence of a single source of supply or being a proprietary product. A record of all such sole source or proprietary purchases shall be made by the person or body authorizing such purchases and shall specify the amount paid, the items purchased and from whom the purchase was made. A report of such sole source or proprietary purchases shall be made as soon as possible to the city council and the city manager and shall include all items of information as required for the record.

(c) Purchases or leases of any supplies, materials or equipment for immediate delivery in actual emergencies arising from unforeseen causes, including delays by contractors, delays in transportation, and unanticipated volume of work. A record of any such emergency purchase shall be made by the person or body authorizing such emergency purchases, and shall specify the amount paid, the items purchased, from whom the purchase was made and the nature of the emergency. A report of any emergency purchase shall be made as soon as possible to the city council and the city manager, and shall include all items of information as required by the record.

(d) Leases or lease-purchase agreements requiring total payments of less than ten thousand dollars (\$10,000.00) in each fiscal year the agreement is in effect; provided, that this exemption shall not apply to leases of like related items which individually may be leased or lease-purchased with total payments of less than ten thousand dollars (\$10,000.00) in any fiscal year, but which are customarily leased or lease-purchased in numbers of two (2) or more, if the total lease or lease-purchase payments for such items under a single agreement would be ten thousand dollars (\$10,000.00) or more in any fiscal year, which shall automatically be increased if and when Tennessee Code Annotated, § 6-56-306 is amended to provide for a greater sum.

(e) Purchases, leases and lease-purchases of real property.

(f) Purchases, leases or lease-purchases from any federal, state or local governmental unit or agency of secondhand articles or equipment or other materials, supplies, commodities and equipment.

(g) The city council may exempt perishable commodities from requirements of public advertisement and competitive bidding when such items are purchased in the open market. Fuel and fuel products may be purchased in the open market without public advertisement, but shall whenever possible be based on at least three (3) competitive bids. Fuel and fuel products may be purchased from the department of general service contract where available.

(2) Expenditures of less than ten thousand dollars (\$10,000.00). All purchases, leases or lease-purchase arrangements with expenditures of less than ten thousand dollars (\$10,000.00) but more than four thousand dollars (\$4,000.00) in any fiscal year may be made in the open market without public advertisement, but shall, whenever possible, be based upon at least three (3) competitive bids. Purchases, leases and lease-purchases of four thousand dollars (\$4,000.00) or less in any fiscal year shall not require any public advertisement or competitive bidding. (3) Other exempt purchases, leases and lease-purchase agreements. The foregoing requirements for advertising and competitive bids for city purchases, leases and/or lease-purchase agreements shall not apply to or restrict the city's ability to participate in any program for municipal purchases, leases and/or lease-purchase agreements by, through, from or with the State of Tennessee, the state department of general services, any state agency or any other local government entity, individually or cooperatively, whenever such purchase, lease or lease-purchase agreement is authorized by statute. (as added by Ord. #2015-12, Nov. 2015)
